PACKEY HAS THE WEALTH

His Boxing Bouts Have Brought Him \$200,000 in Eight Years

New York, April 30.—According to a statement by Packey McFarland here, his \$10,000 reward for defeating Matt Wells, the English lightweight champion, brings his total winnings in the ring up to an even \$100,000. His figures show that an additional \$90,000 represents his earnings in theatrical side lines, making a grand total of \$200,000 since he knocked out his first opponent, Pete West, in two rounds eight years ago. He received only \$25 for that bout.

When McFarland left the garden after whipping Wells, he hurried back to his quarters in the Bronx and sent out for a quart of ice cream. As he slowly got away with it, he remarked:

"This is my weakness, boys. It makes me feel fine."

LANGFORD MAY GET CHANCE AT JOHNSON

Chicago, April 30.—Jack Johnson and Sam Langford are going to clash in a finish battle over in London within the next six months, the date being left for the heavyweight champion to name. The champion today received an offer of \$30,000, win, lose or draw, for a fight with the Boston tar baby, the cable coming to Edward W. Smith, sporting editor of the American.

Jack was informed of the offer and wired back his acceptance and asked that the London syndicate be informed of his willingness to take the match. Johnson is showing in Pittsburgh this week.

Of course the match goes only in the event Johnson is winning in his match with Jim Flynn in Las Vegas on July 4. Should Flynn be returned the new champion the \$30,000 offer goes to the white man.

Jack and Langford have met before, but the Boston lad was always under the impression that he didn't do his

best in that fight and that he can trim Johnson. A number of clubs have been after this pair, but this hitch always has kept them apart for years. London is anxious for this match and has bid several times for it. Once before they had this pair booked up, but just as everything looked rosy Johnson refused.

There are so few in the pugilistic world who are not of the belief that Langford can take the measure of the champion, and many are of the belief that Jack fears his dusky rival.

BRITTON IS FAVORITE OVER MOORE, 10 TO 9

San Francisco, April 30.—Light weights Pat Moore and Jack Britton completed their arduous siege of training yesterday for tonight's twenty-round contest at Dreamland pavilion. Both boxers have worked conscientiously for the tussle and each is confidence personified.

Britton and Moore should make a rattling contest. It brings together an aggressive and rough and ready miter against a clever boxer. The Chicago pugilist seems to be the better boxer by far, but Moore acts like one of these determined fighters who are always tearing in and trying for a decisive victory.

Betting on the contest opened with Britton the choice of the fans at odds of 10 to 9. Moore will not lack supporters, however, as his work at Mills has made a good impression with the fans who have visited his camp and seen him in action.

B. Y. U. PLAYERS AT SCHWEITZER'S MERCY

Logan, April 30.—The first game of intercollegiate baseball of the season to be played in Logan was seen here yesterday, when the team from the State Agricultural college defeated Brigham Young university by a score of 9 to 0. The Provo players became dissatisfied during the ninth inning and left the field when they had but one man out.

Schweitzer's pitching for the Ags was the feature of the game. He had the Provo players at his mercy from the start. During the entire eight innings he pitched he allowed but four hits and struck out fourteen men. The batters were Schweitzer and Dorian for the Ags and Johnson and Greenwood for Provo. Bob Morton was the umpire.

BAD YEAR FOR CHAMPIONS.

"This is a bad year for champions, and by the time July 4 comes around it is going to be worse." This was expressed by "Fireman" Jim Flynn, after he had taken a good rest at his training quarters and had prepared to begin his long training siege that will

put him in trim for the championship bout with Jack Johnson.

"I will have Jim Corbett in my corner when the fight takes place," continued Flynn. "Corbett has promised to help me, and Tommy Ryan will also be here."

PACKEY MATCHED FOR TWO ROUNDS.

Chicago, April 30.—Packey McFarland has been matched for two ten-round bouts for the immediate future. Next Monday night he will box Red Robinson of Pittsburgh at Rochester, N. Y., and on May 8, he will fight Martin Canale at Fall River, Mass. The weight will be 135 pounds in each match.

WILL BOX TONIGHT.

Cleveland, Ohio, April 30.—Patsy Brannigan of Newcastle, Pa., and Cal Delaney, a sporting partner of Johnny Kilbane, the featherweight champion, will box 12 rounds before the Tuxedo club here tonight. They will weigh in at 120 pounds.

BREAKS 48 OUT OF 50 TARGETS

MIKE YOKEL TOO MUCH FOR DOWNING

Dick Hyland of Salt Lake won from Matty Baldwin in a ten-round battle at Saltair Monday night, there being no question in regard to his superiority over the bean-eater. Baldwin is said to have been out of condition owing to the fact that he had to ride four days on a train in order to get from New Orleans to Salt Lake in time for the bout. Hyland, on the other hand, was in the pink of condition. Both men had met before and they didn't mince matters a bit. From start to finish the fight was furious and the victory went to the best man.

In the first preliminary Mike Yokel of this city met Jim Downing, who had agreed to throw him twice in an hour. Mike proved to be too much for Downing and won the first fall in two minutes. In the second bout Downing threw himself clear over the ropes in an effort to break the toe hold, landing on his head and stunning himself. Yokel was declared winner of both falls.

Al Schrader of Salt Lake and Harry Peyton of this city put on a three-round boxing preliminary. Peyton was outclassed in the third round and the decision went to Schrader.

HELENA LOSES ONE MORE GAME

The Salt Lake baseball team took another game from Helena Monday afternoon, the score being 9 to 8. In the fourth inning Helena had a chance to tie the score, but a series of errors robbed them of the opportunity and they failed to convalesce before the close of the game. Byrd was pitching for Helena at the beginning of the game, but he proved too wild and Mears was substituted. Mears thereafter held the Salt Lake aggre-

gation down to three hits. Each team got eight hits during the game.

TIP FROM THE TELEGRAM

Here is a tip from the Salt Lake Telegram, which could be followed to good advantage:

"The Helena and Salt Lake teams looked pretty nifty in their new uniforms yesterday. Just as a little tip also to Messrs. Blankenship, McCafferty, McCloskey and a few others—both of these clubs will cause all sorts of trouble for some one this summer. The Skyerscrapers look like a real team in every department. 'Buck' Weaver has drilled his bunch into a well balanced baseball machine that can field, hit, run bases, sacrifice, steal and hustle in the runs, and he also has a fine staff of reliable pitchers. Manager Charles Irbey has one or two weak spots on his Helena aggregation, but 'Blubb' is on the lookout and any of the sporting writers who have a cellar position picked out for Helena this season had better 'roll over' before it is too late."

SICKER THAN COBB.

Manager Harry Davis of the Naps declares Joe Jackson is a "sicker man" than Ty Cobb.

"But the only way you can keep Joe out of a game is to hide his uniform," says Harry.

It is said that Jackson is so proud of a new suit that he has put it under lock and key.

"I believe," says the Cleveland star, "that there are 100 hits in that uniform. I ought to get that many in 77 games. Perhaps I'll do better. My cold has prevented me from batting very good in the past few days, but when warmer weather comes I'll get started again."

TRYOUTS AT CHICAGO.

New York, April 30.—In response to a telegram from J. B. Franklin, president of the Southern Pacific Association of the Amateur Athletic Union, requesting information in regard to the Olympic tug-of-war tryouts, the

American Olympic committee today sent the following message:

"Subscriptions received up to date do not warrant taking a tug-of-war team. Tryouts might create false impression that tug-of-war teams would be sent. Committee, however, will authorize tryouts in Chicago with understanding that the winning team must finance its own trip to Stockholm."

FORAGE FOR THE FANS.

Manager Jimmy Burke of the Indianapolis team has released Lew Ritter, the veteran backstop, and signed "Nig" Clarke, the former Cleveland St. Louis catcher.

Evidently the Boston Nationals made no mistake when they grabbed Vin Campbell, the former Pirate. The field is hardly big enough for Vin, as he covers ground like a circus tent.

The Central International Baseball league, which was organized in Duluth recently will place teams in Winnipeg, Man., Grand Forks, and Fargo, N. D., Duluth and Virginia, Minn., and Superior, Wis.

Says the Helena Independent: John McCloskey has started already to strengthen, probably in preparation for the forthcoming series with Salt Lake. Mac has secured "Dad" Clark, the former Ogden veteran and later with the Western league. Spokane was also after Clark. He is likely to be one of the league's star first sackers. While with the Western league he was never far below the .300 mark.

Nestle Williams, a Welch bantamweight pugilist, was aboard the Titanic and went down. His body will be brought to New York for burial. Williams was coming to this country to fight in and around Pittsburgh. He was rated as a good boy at home and hoped to clean up the bantam division in this country. He was 20 years old. Williams' name is on the list that have been recovered.

The Salt Lake Tribune says of Menges' thrilling play in the opening game: "If Menges had made that catch on a big league diamond he would be famous all over the United States today."

Jack Redmond of Milwaukee has been signed to box Young Erne of Philadelphia six rounds on May 13, before the American A. C., Philadelphia.

"Fighting" Dick Hyland of Salt Lake was given the decision over Matty Baldwin at the end of their 10-round bout at Saltair beach pavilion last night.

Mike (Twin) Sullivan of Boston had the better of Harry Wuest of Cincinnati in a 10-round boxing contest there last night. At no time

was either man in danger of being knocked out. Sullivan at all stages had the advantage, apparently was unable to put sufficient force behind his blows to make them count seriously.

LABOR NEWS OF ALL COUNTRIES

Laborers in South Australia Get Advance—Amalgamated Society of Carpenters Organize Branches in Nine Countries—Textile Workers Get Advance—Oregon Pattern Makers Demand Eight-Hour Day.

In South Australia the employers recently agreed to pay \$2.16 a day to laborers in the boiler making and engineering shops and a request for the same wages for the laborers in the molding shops is now receiving consideration.

The Amalgamated Society of Carpenters has organized branches in nine different countries as follows: England, Ireland, Scotland, Wales, South Africa, Australia, New Zealand, Canada and the United States.

The station agents signal men, operators and signal maintainers of the Pennsylvania, Reading, New Haven, Boston & Maine and other eastern railroads are preparing to demand increases in wages of about 15 per cent.

The general secretary of the United Textile Workers of America gives out the statement that 25,000 textile workers have recently received an advance of 10 per cent in their wages. This advance was secured without strike.

The patternmakers employed by the job shops of Portland, Ore., are on strike for the eight hour day. This strike is part of the plan to establish the eight-hour day in the metal trades along the Pacific coast.

The Socialist party in Hawaii demands higher wages, white labor employed on shorter hours. Wages range from \$18 to \$25 a month for plantation laborer and far less for women and children.
